

# TABULA RASA GALLERY

---

Tabula Rasa Gallery is pleased to participate in NADA Miami 2023, presenting works by artists Nell Brookfield, Teresa Murta and Xiao Hanqiu.

## About the Artists

**Nell Brookfield** (b. 1994, London) currently works and lives in London. Brookfield offers humorous and bizarre compositions taken from her everyday experiences. Inspired by people around London, films, and books, Nell paints from observation, memory and imagination with acrylic and oil paint on linen. Unexpected crops show intimate sections of what could be larger works, asking the viewer to imagine what might lie just beyond the composition. Highlights of her recent exhibitions include *NADA Miami 2023*, presented by Tabula Rasa Gallery (Miami, 2023); *Tabula Rasa: Unveiled*, Tabula Rasa Gallery x Frieze No.9 Cork Street (London, 2023); *Real Plastic Roses*, Duarte Sequeira Gallery (solo, Portugal, 2023); *The Sky Above the Roof*, Tabula Rasa Gallery (Beijing, 2022); to name a few.

**Teresa Murta** (b. 1993, Lisbon) is an artist based in Berlin. Through her paintings, Murta delves into the realms of wonder, absurdity, and metamorphosis. With a unique intuition, she weaves together elements from both the artificial and natural worlds, offering viewers a gateway into alternate realities that beckon to be explored. Highlights of her recent exhibitions include: *NADA Miami 2023*, Tabula Rasa Gallery (Miami, 2023); *Tabula Rasa: Unveiled*, Tabula Rasa Gallery x Frieze No.9 Cork Street (London, 2023); *Purple Haze, But Better Together*, Tabula Rasa Gallery (solo, London, 2023); *Aftermath*, Mazzini Gallery (Berlin, 2023); *Fishnet*, Instituto Camões (solo, Berlin, 2022); *(0/1) O Zero e o Um*, Natural History and Science Museum (Lisbon, 2022); to name a few.

**Xiao Hanqiu** (b.1986, Beijing) is a painter and a poet based in Beijing, China. Xiao's paintings juxtapose objects in situations that conjure the ethereal magic and intensity of being. Her paintings operate like her poems: linear narrative is rejected in favour of open questions that reflect on the complexity, ineffability, and inconstancy of experience. Highlights of her recent exhibitions include *NADA Miami 2023*, presented by Tabula Rasa Gallery (Miami, 2023); *Tabula Rasa: Unveiled*, Tabula Rasa Gallery x Frieze No.9 Cork Street (London, 2023). Recent solo exhibitions include *Love stories and horror stories*, Lyles and King (New York, 2022); *LISTE Art Fair Basel 2021*, dual solo, Tabula Rasa Gallery (Basel, 2021); to name a few.
