

Billy Crosby & Siân Newlove-Drew  
NADA Miami

Well Projects  
Booth D304

**Billy Crosby** (b.1993) recently graduated from the painting programme at the Royal College of Art.

**Siân Newlove-Drew** (b.1996) is a London based artist, working across sculpture and installation.

Together they share a collaborative practice, making work through the prism of their romantic relationship, with wonderment, cuteness, and feelings of specialness serving as tenets in their world.
