

**Lee Moriarty (b. 1994, Pittsburgh)** is an American artist and professional wrestler with All Elite Wrestling (AEW) and sister promotion Ring of Honor (ROH). Moriarty currently holds the title of ROH Pure Champion. His presentation at NADA Miami 2024 in collaboration with *Orange Crush* marks his public debut as an artist.

Artistically, Moriarty's work often depicts wrestlers in repose, including intimate portraits of luchador icons like El Santo and Blue Demon. The art reflects an often underexplored duality within the lives of pro wrestlers, resonating with Moriarty's own multi-hyphenate talent.
